- Effective January 1st 2002, USSF had made the Yellow jersey with black pin-stripes the primary referee uniform. Fuchsia and solid black will **NO LONGER BE ALLOWED**. So if you want to do State Cup games in January, or FYSL games in September, you will need to get an updated uniform.
- They make great Christmas gifts! They can be ordered from a variety of places including Official Sports (www.officialsports.com - Preferred Vendor), Law Five (www.lawfive.com), www.refgear.com, Soccer International in Fremont, just to name a few.
